

# Hwy. 90 Construction and Demolition Landfill

5000 Hwy. 90, Avondale, Louisiana 70094

## WHAT IS C & D WASTE?

According to Louisiana Department of Environmental Quality, C&D waste is defined as follows: Nonhazardous waste generally considered not water-soluble, including but not limited to metal, concrete, brick, asphalt, roofing materials (shingles, sheet rock, plaster), or lumber from a construction or demolition project. These wastes are gladly accepted at Hwy. 90, LLC.

## WHAT WASTES ARE NOT C&D?

Asbestos-contaminated waste, white goods, furniture, trash, paper, garbage or treated lumber. Although these wastes cannot be delivered to Hwy. 90, LLC, we will be happy to assist you with these waste streams at River Birch, Inc. Sub-Title D Landfill.
