**GENERATOR'S CERTIFICATION**

I hereby certify that to the best of my knowledge and belief, the information contained herein is a true, complete and accurate description of the waste material being offered for disposal and all known or suspected hazards have been disclosed. I further certify that the waste is not designated a hazardous waste as defined by the USEPA per 40 CFR 261.3 or contains Polychlorinated Biphenyls (PCBs). I further certify that this waste is not designated as Radioactive or Naturally Occurring Radioactive Material (NORM) waste. All analytical Results/Material Safety Data Sheets submitted are truthful and complete and are representative of the waste. I further certify that by utilizing this profile, neither I nor any other employee of the company will deliver for disposal or attempt to deliver for disposal any waste which is classified as toxic, hazardous or infectious, or any other waste material this facility is prohibited from accepting by law. I shall immediately give written notice of any changes or conditions pertaining to the waste not provided herein. Our company hereby agrees to fully indemnify this disposal facility against any damages resulting from this certification being inaccurate or untrue. I further certify that the company has not altered the form or content of this profile sheet as provided by River Birch LLC. The undersigned individual warrants that he/she is authorized to sign this document on behalf of the generator.
